Based on the information currently available to the board of directors (the “**Directors**”) of the Company (the “**Board**”), including the preliminary review of the latest unaudited consolidated management accounts of the Group, the Board wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that the Group is expected to record (i) a loss of not less than RM6 million for the nine months ended 31 August 2020 (the “**2020 Third Quarterly Loss**”), as compared to a profit of approximately RM626,000 for the corresponding period of 2019; and (ii) a decrease in revenue for the nine months ended 31 August 2020 (the “**2020 Third Quarterly Revenue**”) of not less than 50% as compared with that of the corresponding period of 2019.

The expected 2020 Third Quarterly Loss and decrease in the 2020 Third Quarterly Revenue were mainly due to the following reasons:

- (i) the outbreak of COVID-19 pandemic in the early 2020 and the implementation of the Movement Control Order by the Government of Malaysia effective from 18 March 2020 have seriously hindered the seeking out of potential customers and negotiation and securing of new projects, and adversely affected the progress of existing projects;

- (ii) the significant decrease in revenue and gross profit from the system integration and development segment due to the completion of several substantial projects and the intense competition in securing new projects;
- (iii) delay of new projects as further consideration has to be made by those customers in secrecy information sector in light of the release of the Risk Management in Technology (RMiT) measures by the Central Bank of Malaysia;
- (iv) the increase in staff costs for IT staff to focus on tendering new projects and for directors and general administrative staff after listing;
- (v) the increase in sales and marketing expenses as the Group has engaged in more marketing and promotion activities during the period for the purpose of identifying and securing potential customers, negotiating for new projects and bidding new tenders; and
- (vi) the increase in amortisation of intangible assets.

The information contained in this announcement is only based on the information currently available to the Board, including the preliminary review of the unaudited consolidated management accounts of the Group, which have not been audited or reviewed by the auditors and the audit committee of the Company.
